**Subject:** FOAC Report for AGM

The major fundraising event for the year was the Village History Ramble which raised £514. The balance in the FOAC account is over £15,000. The FOAC has decided to await the outcome of the PCC discussions on the infrastructure of the church before making any decisions on spending raised funds

The FOAC will hold the Gardens Open and Scarecrow Trail on Sunday 9 July including activities for children and teas in the garden of Hill House. The date had to put back one week due to the London to Cambridge Bike Ride.

We are very pleased to have had 2 new committee members join the FOAC from the younger families in the village.

Regards  
Tina
