

ARKESDEN PARISH COUNCIL AGM 2019

WEDNESDAY 24TH APRIL

BELL RINGERS REPORT

This year we have six weddings booked.

Emily Andrews has joined us as part of her Duke of Edinburgh Gold Award. She has progressed well and is very competent, we hope she will continue to ring with us until we lose her to university next year.

In June and July, we intend to attend local village fetes to promote bell ringing with the hope of attracting new ringers.

In September it is our intention to host an Open Morning at St Mary's to encourage new ringers. We are now a band of 9, but not all of us are available every week so we need some new blood.
