

Arkesden Cricket Club

Played 5, Won 5! A second undefeated season in our recent history. Solid wins came against Stocking Pelham, Manuden, Manuden Presidents XI and Chrishall. However, the only one that really mattered was our first ever win over Clavering in the final match of the year. The fact that we relaxed our residency rules to recruit a Notts batsman and England all-rounder and a Lord for the game shouldn't detract from our resounding 2 wicket victory.

Dom Crabb scored three 50's his young son Will snaffled a couple of wickets but that was about it on the individual front. Just shows what solid team performances and a significant reduction in dropped catches on previous years can accomplish!

We've retained the core of our fixtures for 2019 with the exciting addition of a game at Cokenach.
