

Parochial Church Council Review of the year 2018/19

Our average weekly attendance was 12 people, but the number significantly increased during festivals, as in previous years. Easter Sunday saw 21 adult attendants. The annual Carol service, held on Sunday 23rd December, welcomed 135 worshippers. There were 76 adults and 17 children attending Christmas Holy Communion. The full PCC met six times during the year. There was one baptism, four weddings, and three funerals carried out during the year. Arky's Ark children's services continued throughout the year welcoming a core of 3-4 families monthly. Workshops for children were held at both Easter (egg decorating workshop) and at Christmas (with a tree decorating and bauble making day).
