

A brief summary of the Village Hall this year.

The Hall was pleased to host the traditional Quiz and Bash, which were both well-attended and we extend our thanks to those involved in helping out (including Jim's disembodied voice) and attending.

In addition, we helped out in hosting the London - Cambridge bike ride rest stop.

In terms of finance, these events produced £1,073 income. This was bolstered by a £400 donation from the Parish Council and Hall Rental to produce a gross income of £3,673.23.

Taking normal running expenses (insurance, electricity, cleaning, etc) into account, this translates into net income to £850, leaving a balance to date of £11,033.25.

The Hall has been approached about the possibility of providing an easement across the garden to the rear of the property to provide a mains sewerage connection for Folly Cottage, which the committee is currently considering. If anybody has any concerns or questions about this, they can get in touch with me or any other member of the committee.

All other aspects of the Hall remain stable and we expect this to hold for the year ahead.

Kinds regards,
Simon.
